7 Indicates that the data for this item were statistically improbable, or were reported outside a reasonable range.

* Indicates results are masked due to small numbers to protect student confidentiality.

** When only one ethnic/race group is masked, then the second smallest ethnicity group is masked (regardless of size).

^ Indicates there are no students in the group.

n/a Indicates there were no data previously reported by TEA for the student group.

2012 Indicators Report

Training Packet: How to Calculate the 2013 Accountability Performance Indexes

Performance Index 1: Student Achievement

The purpose of Index 1 is to provide an overview of student performance based on satisfactory student achievement across all subjects for all students.

- Student Group: All Students only
- Minimum size criteria: None, small numbers analysis if fewer than 10
- Methodology: STAAR test results are summed across tests, grades, and subjects; the index is calculated by taking the number of tests that meet the Phase-in 1 Level II performance standard divided by the total number of tests.
- 2013 Target for Index 1 is 50 for campuses and districts (Alternative Education campus and district target is 25).

Calculation Steps:

1. Obtain your district or campus report.

How to Determine Race/Ethnicity Groups for 2013 Index 3 Calculations

Performance Index 3: Closing Performance Gaps

Identifying the Prior Year Lowest Performing Race/Ethnicity Student Group(s)

The 2012 Indicators Report provides information combined across All Subjects for All Students and each of the seven race/ethnicity student groups based on the criteria for Index 1. Note that the performance rates of the race/ethnicity student groups shown on the 2012 Indicators Report are the data that determine the lowest performing groups for the 2013 Index 3 calculation.

Identification Steps:

1. Obtain your 2012 Indicators Report.

2012 Indicators Report Glossary

Updated June 7, 2013

Annual Dropout Rate (Gr 9-12) 2010-11: Some of these data were already reported in the 2011-12 AEIS Reports. The following shows how data will be reported for the 2013 ratings on August 8, 2013:

- **% Dropped Out.** This includes grades 9 through 12. It is calculated as follows:
$$\frac{\text{number of dropouts in grades 9 through 12 during the 2010-11 school year}}{\text{number of grade 9-12 students who were in attendance at any time during the 2010-11 school year}} \times 100$$
- **Rounding.** Dropout Rates are rounded to one decimal point. For example, 1.65% is rounded to 1.7%.
- **# Dropped Out.** This is the numerator.
- **# 9-12 Graders.** This is the denominator.

Per Texas Education Code (TEC) Chapter 39, the following are now excluded from campus and district dropout calculations:

1. students who are not eligible for state funding;
2. students who were court-ordered into a General Educational Development (GED) program, but did not earn a GED;
3. students who have been incarcerated as adults;
4. students coded as refugees or asylees who have not received adequate schooling outside of the United States;
5. any students who were previously reported as dropouts to TEA; and
6. students in county detention facilities outside of their home district

Campus ID: The campus number is a unique 9-digit identifying number assigned to every Texas public school. It consists of the county number (assigned alphabetically from 001 to 254), followed by the district number (9__ is used primarily for regular districts, 8__ for charter operators), and ending with the campus number (generally 00__ for high schools, 04__ for middle schools, and 1__ for elementary schools).

District ID: The district number is the unique 6-digit identifying number assigned to every Texas district and charter operator. It consists of the county number (assigned alphabetically from 001 to 254), followed by the district number (9__ is used primarily for regular districts, 8__ for charter operators).

Dropout: A dropout is a student who is enrolled in public school in Grades 7-12, does not return to public school the following fall, is not expelled, and does not: graduate, receive a GED certificate, continue school outside the public school system, begin college, or die.

Dropout counts are obtained from PEIMS records. Based on the attendance and enrollment records of all districts, the records of Texas graduates from 2009-10 and earlier, and GED certificate records, TEA identifies students for whom districts do not need to submit leaver records. School districts must account for all other students through the submission of leaver reasons. The leaver record provides 17 possible reasons for leaving school in 2010-11, including three which indicate the student is a dropout (codes 88, 89, and 98). Note that this report only includes dropouts from high schools with grades 9, 10, 11, and/or 12. See *Annual Dropout Rate*.

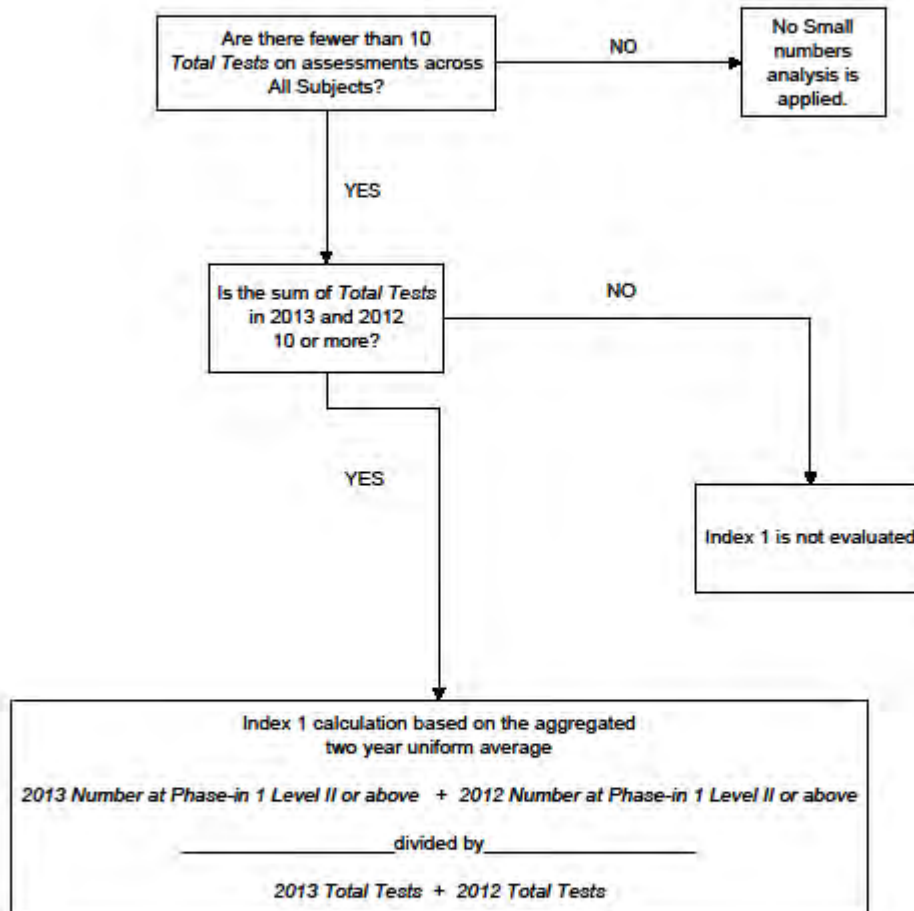

Economically Disadvantaged: The percent of economically disadvantaged students is calculated as the sum of the students coded as eligible for free or reduced-price lunch or eligible for other public assistance, divided by the total number of students.

Small Numbers Analysis Index 1: Student Achievement

ALL DISTRICT AND CAMPUS TYPES

Small numbers analysis is applied if the *Total Tests* on assessments across **All Subjects** in 2013 is fewer than 10.

Frequently Asked Questions (FAQ)

The screenshot shows the homepage of the Texas Education Agency's 2013 Accountability Rating System. The left sidebar contains a menu with the following items: Accountability, Accountability Manual, **FAQ** (highlighted with a red circle), Timeline, Accountability Development Materials, and 2011 and earlier. The main content area is titled "2013 Accountability Rating System" and includes sections for "2012 Indicators Report", "Key chapters of the 2013 Accountability Manual are now available", "Recent Postings" (listing various reports and descriptions), "Alternative Education Accountability (AEA)", and "Information Available".

The screenshot shows the "Frequently Asked Questions" page of the 2013 Accountability Rating System. The left sidebar menu is updated to include: 2013 Accountability, 2013 Legislative Session, Targets and Ratings, Index Framework, Retests and Mobility, ELL, Special Issues, Minimum Size, Safeguards, Distinction Designations, AYP, 2013 Development, and 2013. The main content area is titled "2013 Accountability System Frequently Asked Questions" and "Updated June 4, 2013". It contains several Q&A pairs regarding the impact of House Bill 5 on the accountability system, the new performance index framework, and the determination of rating labels for 2013.

2013 Accountability Manual

The screenshot shows a Mozilla Firefox browser window displaying the Texas Education Agency (TEA) website. The address bar shows the URL ritter.tea.state.tx.us/perfreport/account/2013/manual/index.html. The page features a red header with the TEA logo and navigation links: Home | District Locator | Index A-Z | Divisions | School Directory. Below the header is a search bar and a list of links: SEARCH, Administrators, Teachers, Funding, Testing/Account, Curriculum, Reports, News, ARRA.

2014 and Beyond – 83rd Regular Legislative session

HB 5	Relating to public school accountability, including assessment, and curriculum requirements.
HB 866	Relating to the administration to public school students in certain grades of state-administered assessment instruments.
SB 306	Relating to consideration of a student receiving treatment in a residential treatment facility for public school accountability purposes.
SB 377	Relating to considering the performance of certain students on state assessment instruments in evaluating school district and campus performance.
SB 1538	Relating to evaluating the performance, including computing dropout and completion rates, of public schools, including schools designated as dropout recovery schools and residential facilities.

Calendar of Upcoming Releases

2013 State Accountability Ratings Releases	
June 6, 2013	<i>Graduation/Dropout Summary Reports and Lists.</i> Superintendents are given access to confidential summary reports and lists of dropouts and cohort membership. These reports provide a preview of the following Graduation Rate and Annual Dropout Rate indicators that will be used to determine the Index 4: Postsecondary Readiness outcomes for 2013 accountability: <ul style="list-style-type: none">• Class of 2012 Four-year Longitudinal Rates• Class of 2011 Five-year Extended Longitudinal Rates• Class of 2010 Six-year Extended Longitudinal Rates• 2011-12 Annual Dropout Rates
Mid-July 2013	<i>Consolidated Accountability File.</i> The test contractor will provide school districts with a data file which includes one record per student and will be used by TEA to calculate the performance index results. This data file will include the results of the STAAR Progress Measure that will be used to determine the Index 2: Student Progress outcomes for 2013 accountability.
August 1, 2013	<i>Accountability Preview Data Tables.</i> Superintendents are given access to confidential preview accountability data tables for their district and campuses showing all accountability indicator data. Principals and superintendents can use these data tables to anticipate their campus and district accountability ratings.
August 8, 2013	<i>Ratings Release.</i>
